

## Meet Ms. Angela R. Brown – 6<sup>th</sup> Grade Math

I am a certified middle school educator with 20 years of experience. I am a graduate of Mississippi State University, where I earned a Bachelor’s degree. I earned my Masters’ Degree at the University of Phoenix. I enjoy scrapbooking/cardmaking, dancing and listening to most genres of music. I love spending time with family and friends. I am so honored to teach here at Turner MS! We are going to have a great school year while having fun learning math and providing a “S.T.E.A.M.” focus for instruction. I love to have fun and explore. All children should have the opportunity to become global-minded citizens. We are raising problem solvers, who think critically & utilize technology daily. We need to assure they receive a well-rounded, rigorous education. I look forward to working with my scholars and their families for a successful school year! Thank you for entrusting your child’s math education into my hands.
